The Wall: Once logged in, the system redirects the user to their main page. Here a user can view the various posts created by people that they follow.

In order to post a picture the user needs to click the camera icon.

Upload Image

Choose File No file chosen

Caption

Cancel Post

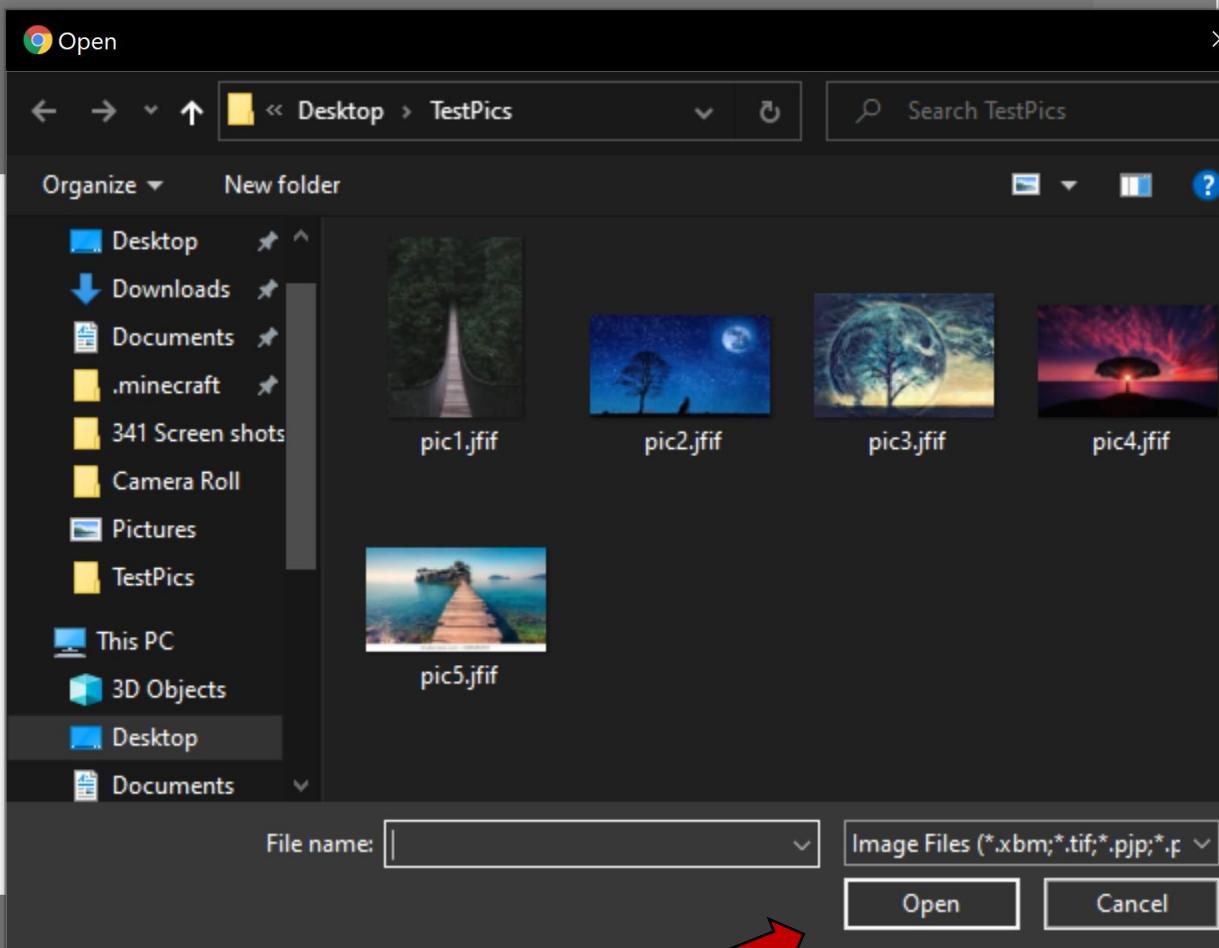

Choose a photo from the file system.

Upload Image

Choose File No file chosen

Cancel Post

The user can write a caption in the input box and then decide to either post or cancel.

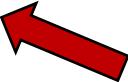

Upload Image

Choose File pic2.jfif

Caption

This is my first Post

Cancel Post

The post is then saved to the user's profile.

Click on the avatar to access the following dropdown menu.
The profile button redirects the user to their profile page.

- Home
- Profile
- Logout

Profile: The profile view displays all of the user's posts.

User: Noah Freger

This is my first Post

Search: The search bar allows a user to search for other users registered in the system. By entering an empty string into the search bar, the user is redirected to the a page with all the existing users in the system.

Follow Page: The follow page allows a user to follow other user's posts.
This page also allows the user to visit the other user's profiles.

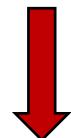

noahf303@gmail.com
john@gmail.com

noahf303@gmail.com

The user then follows John's and Jane's Profile.
